About

Yayasan Kelab-Kelab Rotary Malaysia

Supporting Rotary Clubs in Malaysia Since 1985

CHAIRMAN,
YAYASAN KELAB-KELAB
ROTARY MALAYSIA

Past District Governor
DATUK ZAINIE ABDUL AUCASA

The idea of a Rotary District 330 Foundation was initiated by District Governor Dr. Philbert S S Chin of the Rotary Club of Singapore in 1983/84. It was incorporated as a company limited by share capital on 24 September 1985. When District 330 was split by Rotary International into two districts – D3300 and D3310, Rotary District 330 Foundation was split into Rotary Foundation Singapore and Rotary Foundation Malaysia.

On 14 November 1991 Rotary Foundation Malaysia (ROTAFOM) was incorporated as a company limited by guarantee to serve all Rotary Clubs in Malaysia. (including Malaysian Rotary Clubs in District D3310). The Rotary Clubs in Singapore formed the Foundation of Rotary Clubs (Singapore) Ltd. On 12 December 1997 Rotary Foundation Malaysia was renamed Yayasan Kelab-Kelab Rotary Malaysia.

Vision

To further the object of Rotary by supporting and supplementing the efforts of Rotary Clubs in Malaysia to better serve the community in poverty alleviation, education, health, humanitarian and disaster relief programs.

Mission

- To be a foundation known to and supported by all Rotarians and Rotary Clubs in Malaysia.
- To support and supplement the funding needs of the district and Rotary clubs in their projects and activities.
- To participate in humanitarian and educational projects that will enhance the public image of Rotary in Malaysia.

Partnerships That Change Lives

From scholarships supporting deserving students in Kuala Pilah, to academic sponsorship opportunities reaching young people in Sabah, Yayasan sees how education can open doors, restore confidence and create brighter futures. The launch of a new rehabilitation centre further demonstrates how Rotary collaboration can improve access to essential healthcare, helping individuals regain mobility, independence and hope.

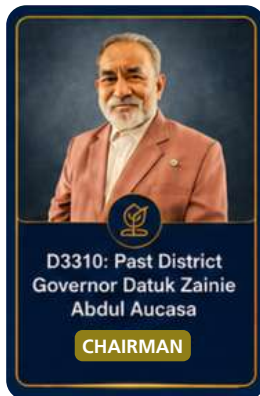

These initiatives are made possible when Rotary clubs, educational institutions, corporate partners, donors and community leaders come together with a shared purpose. Each contribution strengthens our ability to serve communities across Malaysia.

I extend my sincere appreciation to all participating clubs, partners, sponsors and volunteers whose commitment continues to advance Yayasan's mission. Let us build on this momentum, deepen our partnerships and continue doing good for those who need us most.

Yours in Yayasan,

Zainie

瓜拉庇勝扶輪社 提供3學生3年獎學金

（庇勝4日讯）瓜拉庇勝扶輪社与马来西亚扶轮社基金会合作，为3名来自庇勝的优秀学生提供为期3年的高等教育奖学金，每人每年各获5000令吉，以减轻他们的求学负担。

瓜拉庇勝扶輪社主席邱运图指出，这3名受惠的学生是谢佳惠（已就读拉曼大学学院会计文凭课程）、黄咏滢（已入读拉曼大学学院初级教育文凭课程），以及袁文星（即将攻读拉曼大学学院软件开发资讯技术学士学位）。

据知，扶轮社共收到约30份申请名单，并依据个人家庭背景、家庭收入、其他奖学金资助及学术和课外活动成就等进行严格筛选，最终上述3名学生将获得奖学金。

他希望这项奖学金将能够协助减轻学生经济能力有限的负担，他也表示，这项奖学金资助计划除了彰显扶轮社兑现对庇勝社区内提供帮助的承诺外，也让优秀学生能够继续追求优质的教育和未来职业发展。

叶福熙：盼学生未来回馈社区

瓜拉庇勝扶輪社首要主席叶福熙强调了这项奖学金计划的长远效益，他认为，这项计划不但使下一代有机会接受良好教育，同时他们还能够学习到一些宝贵技能。

他希望这些获取奖学金的学生，在未来的日子里能够返回瓜拉庇勝回馈给社区，并在商业和贸易领域上作出贡献。

受惠的每名学生每年可获5000令吉，3年将获总额4万5000令吉，而这笔款项是由瓜拉庇勝扶輪社和马来西亚扶轮社基金共同资助。

Opening Doors to Higher Education

During the first half of Rotary Year 2024/2025, RCKP provided scholarships to three deserving students pursuing tertiary education at local institutions.

The three-year scholarship programme supports qualified candidates from a local secondary school in Kuala Pilah, helping to ease their financial burden and enabling them to focus on building a brighter future through education.

The initiative was jointly sponsored by Yayasan Kelab-Kelab Rotary Malaysia, with the support of PDG Arvind U Gopi Kumar and the coordination of Hon. Secretary Thomas Varughese.

RCKP also extends its sincere gratitude to the generous donors who have chosen to remain anonymous.

Congratulations to President Andy and Charter President Dr Yap for championing this meaningful investment in the education and future of young people in the community.

Expanding Educational Opportunities from Selangor to Sabah

The Rotary Club of Rahman Putra (RCRP) started the year on a meaningful note by helping to extend academic sponsorship opportunities to deserving students in Sabah.

Through a collaborative effort with SEGi University and Yayasan Kelab-Kelab Rotary Malaysia (Yayasan), the initiative brought together education, community service and strategic partnership to support young people in pursuing a brighter future. The sponsorship programme reflects a shared commitment to making tertiary education more accessible to those who may otherwise face financial barriers.

The presentation event, held in Kota Belud, was graced by the Chief Minister of Sabah and the Minister of Entrepreneur Development and Cooperatives (KUSKOP), underscoring the importance of collective action in empowering communities through education.

RCRP is honoured to have played a part in bringing this opportunity to Sabah. Building on this collaboration, the Club hopes to engage more small and medium enterprises and corporate organisations in the coming years, creating wider opportunities and bringing lasting hope and joy to communities in need.

Restoring Mobility, Renewing Hope

Healthcare and rehabilitation services should be accessible to everyone, regardless of their circumstances. With this shared commitment, several Rotary clubs came together for the soft launch of a new Rehabilitation Centre aimed at providing vital care and support to the community.

The initiative was led in partnership with the Rotary Club of Impian Emas, with the support of the Rotary Club of Kuantan City, Rotary Club of Kulai, Rotary Club of Pontian, Rotary Club of Changi and Rotary Club of Singapore East, District 3310.

The centre represents the power of collaboration in addressing healthcare needs, helping individuals regain mobility, independence and a better quality of life.

Heartfelt appreciation goes to the generous sponsors whose contributions made these valuable rehabilitation services possible.

Congratulations to the organising team and all participating clubs for their dedication, hard work and commitment to improving community health and wellbeing through meaningful Rotary service.
